Program Grid

THE “HIGH SEASON” BEGINS

January begins the “high season” for Virginia politics. As you’ve come to expect, the Community Idea Stations will provide coverage of decisions and laws that shape the Commonwealth—and that affect you.

WHTJ PBS will carry Governor Bob McDonnell’s State of the Commonwealth address live on Wednesday, January 11 at 7 pm.

“Capitol Events” is a weekly 30-minute news and interview program hosted by Bill Miller. Bill interviews politicians and political analysts at the Richmond State Capitol each week during the General Assembly Session to examine the issues of the week, track important legislation, and shed light on the political process. Tune in for “Capitol Events” each Friday beginning January 20 at 11 pm on WHTJ PBS.
