## Dr. Wayne Dyer returns

**B**est-selling author, beloved spiritual teacher and internationally renowned lecturer Dr. Wayne Dyer returns for his ninth public broadcasting presentation, **WISHES FULFILLED**. In this special, taped in Escondido, California, on October 21, 2011, he once again offers an inspiring and motivational message to viewers. Based on his book of the same title, **WISHES FULFILLED** presents Dr. Dyer's main message: It is possible for every person to live an extraordinary life.

Using his trademark humor, Dr. Dyer introduces The Five Wishes Fulfilled Foundations, outlining a program for mastering the tools necessary for living a profoundly satisfying life. Learn how to use Imagination, Living From the End, Assuming the Feeling of the Wish Fulfilled, Attention, and the Last Five Minutes of Each Day to create new and astonishing thought patterns, while defeating unproductive and recurring habits.

**AIRS Monday, March 5 at 9 pm on WHTJ PBS**
